3 Storey Wall Greengrocer Counter Units (Product Code: DR-3)

- ⇒ Ergonomic design
- ⇒ Galvanized and Stainless Steel material.
- ⇒ Electro-Static dust paint
- ⇒ Easy assembly
- ⇒ Easy cleaning & maintenance
- ⇒ Led lighting system
- ⇒ Magnetic wood texture coating (any different texture available upon request)
- ⇒ Single unit (120 cm width) can hold up to 8 cases (60×40 cm)

Technical Features

Depth: 80 cm
Height: 215 cm
Width: Optional

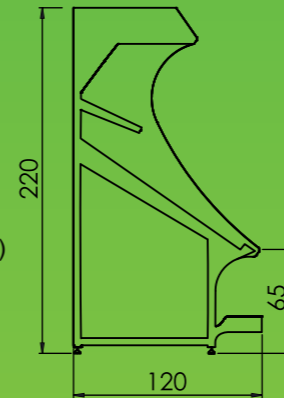

2 Storey Mirrored Greengrocer Counter Units (Product Code: DR-1)

- ⇒ Ergonomic design
- ⇒ Galvanized and Stainless steel material.
- ⇒ Electro-Static dust paint
- ⇒ Easy assembly
- ⇒ Easy cleaning & maintenance
- ⇒ Led lighting system
- ⇒ Magnetic wood texture coating (any different texture available upon request)
- ⇒ Single unit (120 cm width) can hold up to 8 cases (60×40 cm)

Technical Features

Depth: 120 cm
Height: 220 cm
Width: Optional

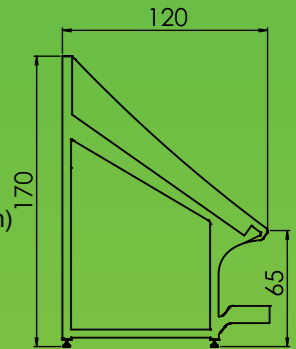

Single-storey Wall Greengrocer Counter Units (Product Code: DR-2)

- ⇒ Ergonomic design
- ⇒ Galvanized and Stainless steel material.
- ⇒ Electro-Static dust paint
- ⇒ Easy assembly
- ⇒ Easy cleaning & maintenance
- ⇒ Magnetic wood texture coating (any different texture available upon request)
- ⇒ Single unit (120 cm width) can hold up to 6 cases (60×40 cm)

Technical Features

Depth: 120 cm
Height: 170 cm
Width: Optional

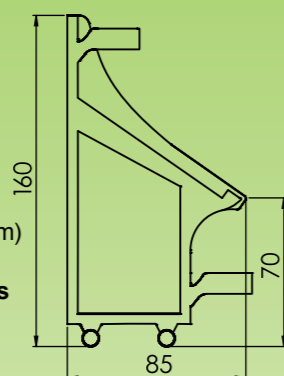

Wheeled for Outdoor Greengrocer Counter Units (Product Code: DR-4)

- ⇒ Ergonomic design
- ⇒ Galvanized and Stainless steel material.
- ⇒ Electro-Static dust paint
- ⇒ Easy assembly
- ⇒ Easy cleaning & maintenance
- ⇒ Magnetic wood texture coating (any different texture available upon request)
- ⇒ Single unit (120 cm width) can hold up to 4 cases (60×40 cm)

Technical Features

Depth: 85 cm
Height: 160 cm
Width: Optional

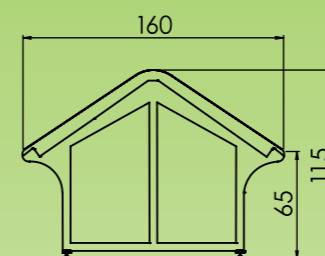

Central Greengrocer Counter Units (Product Code: DR-5)

- ⇒ Ergonomic design
- ⇒ Galvanized and Stainless Steel material.
- ⇒ Electro-Static dust paint
- ⇒ Easy assembly
- ⇒ Easy cleaning & maintenance
- ⇒ Magnetic wood texture coating (any different texture available upon request)
- ⇒ Single unit (120 cm width) can hold up to 8 cases (60×40 cm)

Technical Features

Depth: 160 cm
Height: 115 cm
Width: Optional

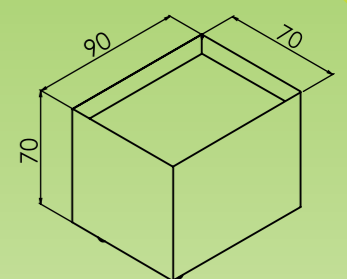

Potato-Onion Unit (Product Code: DR-6)

- ⇒ Galvanized steel
- ⇒ Membrane or MDF laminated
- ⇒ Basket holder
- ⇒ Easy assemble & disassemble
- ⇒ Single unit (90×70 cm) can hold up to 2 cases (60×40 cm)

Technical Features

Depth: 70 cm
Height: 70 cm
Width: 90 cm

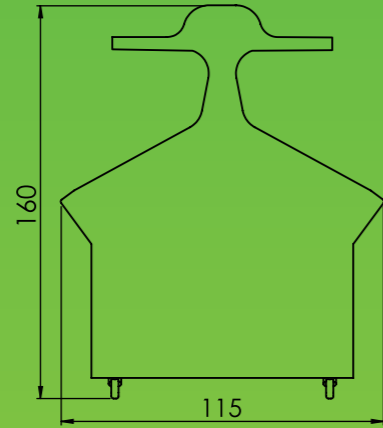

Central Greengrocer Counter Systems (Product Code: DR-9)

- ⇒ Ergonomic design
- ⇒ Galvanized and Stainless steel material.
- ⇒ Central area greengrocer counter systems
- ⇒ Easy assembly, easy cleaning & maintenance or electro-Static dust paint
- ⇒ Membrane MDF laminated or Magnetic wood texture coating (any different texture available upon request)
- ⇒ Easy assemble & disassemble

Technical Features

Depth: 160 cm
Height: 115 cm
Width: Optional

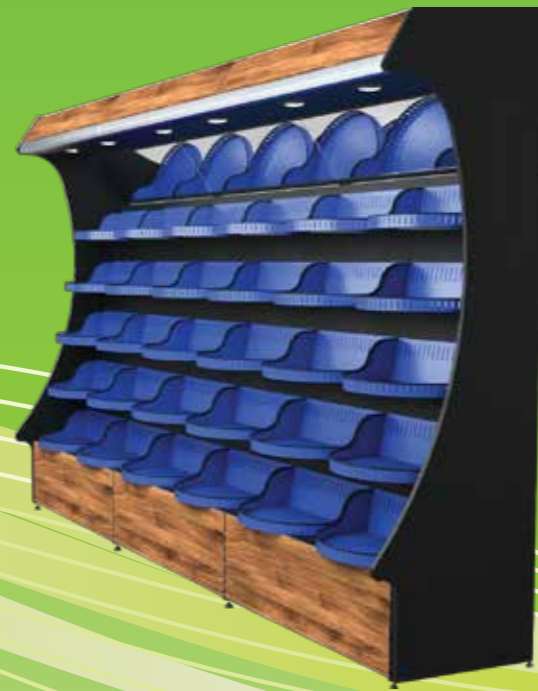

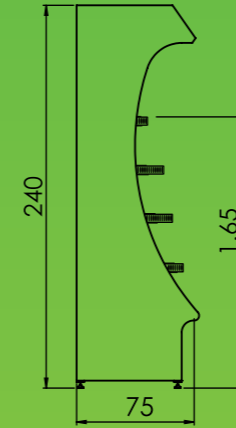

Flanged Greengrocer Counter Systems (Product Code: DR-7)

- ⇒ Galvanized and Stainless steel material.
- ⇒ Membrane MDF laminated or Magnetic wood texture coating (any different texture available upon request)
- ⇒ Easy assembly, easy cleaning & maintenance or electro-Static dust paint
- ⇒ Mirror above the goods for an attractive display
- ⇒ Five storied easy assemble & disassemble
- ⇒ Led lighting system

Technical Features

Depth: 60 cm
Height: 240 cm

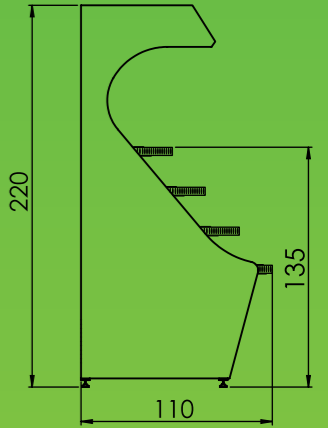

Flanged Greengrocer Units Systems (Product Code: DR-8)

- ⇒ Galvanized and Stainless steel material.
- ⇒ Membrane MDF laminated or Magnetic wood texture coating (any different texture available upon request)
- ⇒ Easy assembly, easy cleaning & maintenance or electro-Static dust paint
- ⇒ Mirror above the goods for an attractive display
- ⇒ Four storied easy assemble & disassemble
- ⇒ Led lighting system

Technical Features

Depth: 60 cm
Height: 220 cm

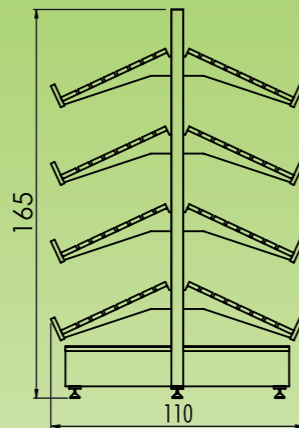

Open Side Bakery Display Systems (Product Code: ER-6)

Bakery counter saree available in different design and options.

- ⇒ Metal body
- > Special production
- > Wooden central and bottom parts

Technical Features

Depth: 165 cm
Height: 110 cm
